HARD HATS OF NIAGARA: THE NIAGARA POWER PROJECT

Dog Ear Publishing, LLC. Hardcover. Book Condition: New. Hardcover. 324 pages. Dimensions: 10.3in. x 8.3in. x 1.0in. Hard Hats of Niagara is a historical window in time, transporting the reader to a dynamic swashbuckling workforce. Their adventures, misadventures, their loves, victories and losses are chronicled in the unregulated era of the 1950s. The Niagara Power Project is a green energy dynamo that has electrified eastern America for 50 years. Hard Hats of Niagara showcases the men and women who sweat, bled, and died to bring it to fruition. It relates the incredible evolution of the power projects licensing issues and conflict with the Tuscarora Nation. It then enjoins the reader into the personal narrative and the fast-paced, perilous activities of constructing the most powerful hydroelectric dam of its era. Over the course of the project, 20 men went to work, never to return home--each of them victims of fatal accidents. Bar room brawls and tempestuous women embellish the action. Dynamite explosions, truck and crane wrecks, a fighter jet crash, augment the perilous daily conflicts. Hard Hats of Niagara engages the reader as a personal witness. . . Ride beside Ron Hacker as he navigates his massive Euclid dump truck down the steep slick slope of the haul road. Sense his alarm as the big truck suddenly veers out of control and skids toward the near vertical edge. Two other Euclids had catapulted into the Niagara Gorge rapids in the same place. Feel Carol Rocques despair as she recites the rosary, attempting to fight off the panic and grief when her husband does not return from his shift. Revel with Allan Vandenbosch as the proprietors lovely red-haired wife sparks up the projects patrons in the pall of smoke and music at the Frontier House. Visit Ken Glennons anticipation as the voluptuous night...
