

Occupational Health Services: A Practical Approach

By Tee L. Guidotti, M. Suzanne Arnold, David G. Lukcso

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 2nd Revised edition. 244 x 174 mm. Language: English . Brand New Book. Workers and their families, employers, and society as a whole benefit when providers deliver the best quality of care to injured workers and when they know how to provide effective services for both prevention and fitness for duty and understand why, instead of just following regulations. Designed for professionals who deliver, manage, and hold oversight responsibility for occupational health in an organization or in the community, Occupational Health Services guides the busy practitioner and clinic manager in setting up, running, and improving healthcare services for the prevention, diagnosis, treatment, and occupational management of work-related health issues. The text covers: * an overview of occupational health care in the US and Canada: how it is organized, who pays for what, how it is regulated, and how workers compensation works * how occupational health services are managed in practice, whether within a company, as a global network, in a hospital or medical group practice, as a free-standing clinic, or following other models * management of core services, including recordkeeping, marketing, service delivery options, staff recruitment and evaluation, and program...

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
