Reviews

It is one of the best ebooks. Yes, it is actually engaging, still an interesting and amazing literature. It has been developed in an exceedingly straightforward way in fact it is just following it. After finishing reading through this book, I was basically modified, and it altered the way I really believe.

Afreen International Inc, United States, 2015. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Since the 9/11 attacks, Islam has been tarnished by hypocrisy, and has been globally linked to Islamic fundamentalists spreading the idea of hate and violence. It is imperative, however, to look at the actual word preached by the Quran to ascertain the true meaning of Islam, and the reasons that changed its face. The religion lived through different versions in history, each rule and era casting its bitter effect, drifting it further away from its original message. Angels are Crying details the history of Islam, as well as the politics and current state of the religion in all 50 Islamic countries of the world. The book is a culmination of 14 years worth of researching the birth of Islam, through the real meaning of its book, the Holy Quran. It studies, in depth, the Islamic history from its first days till today, to follow the points of change in Islamic practice under reigns of Muslim rulers. To truly capture the modern-day observance of Islam, the author visited all the Islamic nations to witness, firsthand, the state of Islam in practice there. The book clarifies the important verses in every chapter of the Quran, proceeding to analyze their true translation, and revealing the manipulation those verses have faced by different sects of Muslims overtime. The second half of the book explores the cultures and governments of every Islamic nation, unveiling their hypocrisy and corruption. Islam cannot be reflected by the failings of a few, specifically those few in power. Angels are Crying, a project resulted by nearly two decades of historical and sociological research, helps to deduce just how, when, and why Muslims lost sight of their...
