

On Tuesday My Nipples Were on Fire: How Autism, Hormones, and Random Strangers Stole My Sanity

By Tami Lynn Tate

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.On Tuesday My Nipples Were On Fire: How Autism, Hormones, and Random Strangers Stole My Sanity is one mother's humorous take on her family. Her five autistic and normal kids are an endless source of amusement. Listening in as she recounts the conversations that take place in her home is like watching a slightly warped reality show. Only with more cats. Whether you have autistic kids or normal ones, you'll enjoy this family who has learned that autism is NOT a tragedy! My 13 year old son is autistic. Like, legit autistic. Some days being the mom of an autistic child feels like being entrusted with a special soul who teaches you many things and makes you a better person. But mostly, it is just like being pecked to death slowly by a chicken. Here is the difference between me and an autistic person: If I knock over a lamp and the light bulb breaks, I do not lick the white powder off the inside of the broken pieces. My youngest son is the baby of...

Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

-- Prof. Herta Mann

A superior quality ebook and also the font used was interesting to read through. This is for all who statte there was not a well worth reading. I discovered this publication from my dad and i encouraged this pdf to learn.
