Information Age Publishing. Paperback. Book Condition: New. Paperback. 198 pages. Dimensions: 9.2in. x 6.1in. x 0.6in. Storytelling is a time-honored way of educating. The companion instructors resource manual provides an extensive discussion framework for the professor, with background material on the pharmaceutical industry, resumes of the principle characters, questions and suggested answers for every chapter, descriptions of theory and concepts, learning goals for each chapter and a bibliography of organization-related fiction. *Novarum Pharmaceuticals* will make a refreshing supplemental text in many courses in the undergraduate and graduate degree programs in business administration, psychology, sociology, organization development, public administration, healthcare management and educational administration. Immersion in this book gives students a deeper appreciation of the often conflicted...
